Gladiolus Bulbs

From Oregon

KENDALL'S GLADIOLUS GARDENS

Fall 1930 TROUTDALE, OREGON Spring 1931

Read This Before Ordering

We exercise the greatest care to have everything true to name and will replace free, or refund the money, on any stock untrue to name. If for any reason you are dissatisfied with the stock when received, return it and your money will be refunded, including any transportation charges you have paid. We want only satisfied customers.

All orders accepted subject to prior sale. No orders filled that amount to less than \$1.50. Cash must accompany orders for \$5.00 or less. On larger orders, deposit of 25% will hold until April 1st, 1931 at eight times the 100 price, 25 bulbs at the 100 price.

We pay postage or express anywhere in Canada or United States.

You will find that our count is liberal and our extras are worth while.

On orders amounting to \$15.00 to \$25.00 we will give gratis one bulb of Mother Machree, while they last. It may be a large, medium or small bulb, depending on how soon your order is received, as we will send out the large bulbs first. We have a pretty good stock of this variety, but there is a limit.

Do not overlook our bulb set No. 1 and our bulblet set No. 2 on the last page of this price list. It will surely interest you.

We will make shipments when we consider the weather conditions favorable but not before January first, unless you request to have shipment made before that date and then only at your own risk.

As to our financial standing, we refer you to the Troutdale State Bank and for our reliability as growers, to Mountain View Floral Nurseries, Inc., both of Troutdale, Ore.
